Exercice 1:

Exercice de conversation

Instruction:

1. Utilisez la salutation appropriée dans chaque situation et engagez une petite conversation. (*Use the correct greeting in each situation and start a small talk.*)

The image consists of three separate photographs arranged horizontally, each labeled with a number (1, 2, or 3) in the top left corner. Each photograph includes a small digital clock in the bottom right corner showing the time as approximately 8:15.

- Scenario 1:** An elderly man with white hair, wearing a yellow sweater, stands behind a wooden fence, smiling and waving his right hand. A speech bubble icon containing the letters "CO" is overlaid on the fence to the left of his hand.
- Scenario 2:** A young woman with dark curly hair, wearing a yellow jacket, stands at the entrance of a building, smiling and gesturing with her right hand towards the interior. In the background, another person is visible inside the building.
- Scenario 3:** A person wearing a dark hooded jacket and a beanie walks away from the camera down a dimly lit, foggy street at night. The streetlights create a soft glow in the background.
